How Much Will Canelo and Crawford Get Paid?

The amount of the winners prize has not yet been disclosed, but according to Sports Illustrated, Álvarez's payout for winning could range "somewhere around \$100-\$150 million."

Meanwhile Crawford, who is coming in as the underdog, opened up about his take home amount in a May episode of "Ring Champs."

"I got \$10 million for that fight," he said. "I'm doing it for the opportunity, baby, the legacy. The legacy outweighs the money."
